Note: Next Available Ready Week explanation: This is an approximate date and is dependent on many factors such as weather. **1321** will be seen frequently. These are items that were not ready when everything was put to bed in the fall. Our inventory crews will return in March to update these but if you would like any of them sooner, we will be glad to go check on them for you. **Blanks** do not necessarily mean we will not be producing more, we are just not comfortable putting a date or quantity on those yet. **Call us for more information.**
