Note: Next Available Ready Week explanation: This is the approximate week number (1st 2 digits) and year (last 2 digits) when the next crop is expected but is dependent on many factors such as weather. The **Qty Available Later** is the total future planned quantity and may not all be available on the Next Available Ready Date. **Blanks** do not necessarily mean we will not be producing more, we are just not comfortable putting a date or quantity on those yet. **Call us for more information.**
